To our valued sponsors and community,

On behalf of the Bashaw & District Agricultural Society, we are excited to invite you to be part of the second annual Buffalo Lake Stampede. We are truly grateful for your support of this event, which aims to strengthen the sense of community in our area. With your involvement, we believe this event will continue to grow into something special, bringing people together and fostering lasting connections.

We would be honored for you to join us in making this event a success by becoming a sponsor in an area of your choosing. Your contribution goes beyond visibility, it helps strengthen community connections and supports local agricultural initiatives. Sponsorship opportunities may be limited and are confirmed on a first-come, first-served basis.

As a sponsor, you're also invited to our 200 Club Long Table Supper, an exclusive community dinner for 200 guests featuring multi-course cuisine by regional chefs, craft beverages, and locally sourced gifts that celebrate the best of Central Alberta. It's a unique opportunity to connect with other supporters in a premium setting and to align your brand with community leadership and local agriculture.

We are grateful for the opportunity to partner with you.
